28 February 2024

**Dear Supporters,**

We are thankful that after the epidemic ended in 2023, our staff and volunteers could return to prisons to run religious classes, visit inmates and continue to spread the gospel and carry out pastoral care in prisons.

Over the years, KSA has been walking with prison inmates, rehabilitated persons and their families, caring for their needs and helping them experience rebirth in Christ Jesus. Thank God for using us to transform and heal the lives of prisoners; support rehabilitated persons reintegrate back into the community and be living witnesses of a blessed life; play a part in helping to restore order in the community; reconciling and rebuilding families. We can see that the ministry of KSA has played a positive and effective role in the community.

Thank you for your support and generous donations to our ministry in the past. We have always adhered to our role as good stewards and are committed to using donations in various ministries to effectively provide holistic care for prisoners' and rehabilitated persons' and their families' needs.

We kindly ask you to fill out the "Response Form" to remember the imprisoned people and ensure that the prison ministry is not hindered by the various changes in Hong Kong but continues to be renewed and manifesting the glory of the Lord!

The fundraising target is HK\$700,000, and all funds raised will be used for projects donated by donors.

Thank you for your love and dedication, may our Heavenly Father bless you!
